Dear Parents,

Please accept blessings of Sri Sri Radha Vrajvihari!

It gives me immense pleasure to introduce to you GAURANGI's. The century is marked by opportunities, challenges and varieties in every field of life. However, there are only a few institutions that focus on how to grapple with the permanency of the temporary yet real world in life.

GAURANGI's is one such institution that carves out its niche in the education sector. Being a Green Innovative Project Based Hare Krishna school, its prime focus is excellence in value system, character building coupled with providing the best of material education for the best outcome of life for its children. Routine, Attitude, Willingness to learn, Habits establish the health of our physical, subtle and spiritual body and success in life. GAURANGI's is committed to developing all of this in its children. However, working with kids alone doesn't work. So, GAURANGI's also organizes cultural events almost every two months. I request parents to be part of our community development programmes and also grow with us as we march towards establishing a world-class university.

Trust that we will see you soon and have a long lasting partnership in the development of your child.

Wishing you the very best for all your future endeavours.

In service of Srila Prabhupad and Their Lordships,

Truly,

Malini Devi Dasi (Dr. Mamta Mahanty)

President-GES, Head-GAURANGI's
